# Recycling

**Allied Waste**, as the industry leader in Southwest Missouri, is the first to offer **SINGLE-SORT RECYCLING**. It's recycling made easy: just place all recyclable items in your Allied Waste provided recycle container for pickup every other week. We'll handle all the sorting.

## What Are The Advantages?

 **Ease of use.** You can now place all your recyclable materials in one container – no separating or sorting needed. There's never been an easier way to **"GO GREEN"**! By keeping it simple, participation in recycling increases dramatically.
